

Are you interested in our Mobile Library Service?

We're working on plans which could see community organisations having greater involvement in running our Mobile Library Service.

If you're interested in getting involved and want to find out how, why not join the Mobile Library focus group? You'll be able to give your views, discuss the practicalities and challenges and decide if you want to take your interest further.

The Mobile Library focus group is at
County Hall Members Room: Wednesday 11 July. 6pm-8pm

Booking is essential. Please book by going to
www.derbyshire.gov.uk/librariesforderbyshire
