Five of the six units of the CiLCA course have been completed (4 passed and 1 waiting on marking). I have one more training day on 12 December and intend to finish the final unit by January 2019. There have been instances of fly tipping on the Playing Fields and St Chad's Water. EBC have provided Fly Tipping notices which have been put up at the Skate Park and St Chad's Water. Christmas Light Switch on – Leisure Lights resolved the issue with the lights before 9am the next day, they have re-tested the switch and examined the cabling and found no faults. They have offered to meet with a councillor on the day of the event next year and walk through the switching on process to re-test that they are working (if awarded the contract) The office will close on Tuesday 18 December and re-open on Wednesday 2nd January 2019. The agenda for January's meetings will be published on 18 December. The date for the Annual Parish Meeting will be 2nd April from 7pm to avoid the Easter school holidays. The next DMGT meeting will take place in February after the PC meeting to enable an update on the grant application for the pathway around the play area. Derby Evening Telegraph asked for a quote from the Parish Council regarding the decision to approve the change of use of the Unit at Draycott Mills to a sports and gymnastics' facility, I provided the relevant section of the minutes and stated that a councillor attended the EBC Planning Committee to re-iterate these points to the committee.
