Dear Sir/Madam

Essential Maintenance on the A50 Junction 1 Roundabout, Donington – Revised Phasing

I am writing to let you know that we are planning to carry out essential maintenance work to the roundabout on Junction 1 of the A50 at Donington, which have previously been postponed. The work involves resurfacing the carriageway, renewing road markings and replacing worn bridge joints.

When will this work take place?

The work will start on Monday 4th March until Friday 15th March. To minimise disruption we will work overnight between the hours of 19:00 and 06:00 on weekday nights only.

The work will be delivered in two phases: we will start working on the **southern** half of the roundabout for the **first** week and then move to the **northern** half for the **second**. To carry out this work safely we will need to close half of Junction 1 of the A50 over week nights for the duration of the scheme. During the closures we will put in place fully signed diversion routes.

I apologise in advance for any disruption this may cause you. Please note that all planned roadworks are subject to change due to weather conditions or unforeseen circumstances. We will do our best to complete the work as quickly as possible, keeping disturbances to a minimum.

Contact us

If you have any questions about our work, please contact our Highways England contact centre as follows:
