

DRAYCOTT PARISH COUNCIL

Child and Vulnerable adult's protection policy

Draycott Parish Council has a legal obligation to ensure an appropriate standard of care for those people who use our services. The purpose of the policy is to safeguard children, young people or vulnerable adults using our services and to facilitate the best possible professional practice from the Council, its staff, and all service deliverers.

This policy applies to anyone working for or on behalf of the Parish Council whether in a paid, voluntary or commissioned capacity, for example contracted to do a piece of work. In practice, this policy will primarily relate to the Parish Council Play Schemes which are delivered by a contractor, It also applies to any individual hiring, leasing or using the Parish Council facilities for the purpose of delivering any service to children, young people or vulnerable adults. Therefore, it will be adopted by the Council as a whole and will provide the framework for ensuring that children, young people and vulnerable adults are kept safe from harm in all situations that arise.
