

COUNCILLOR BRIEFING

**FROM DERBYSHIRE POLICE AND CRIME COMMISSIONER
ANGELIQUE FOSTER**

Date: 21st March 2023

Subject: Derbyshire Anti-Social Behaviour Prevention Grant Round 3 open for applications soon

Following the successful launch and delivery of my Anti-Social Behaviour Prevention Grants in September 2021, June 2022 and September 2022, I am pleased to inform you that a third round of funding has been made available worth £100,000. Through this Grant, I will invest the £100,000 into projects that take positive action against anti-social behaviour. These could include sports and creative arts diversionary programmes, radio/film-making activities, drop-ins for young people, CCTV, community clean-ups, intergenerational schemes, mentoring projects, education initiatives and parental support programmes.

Applications for the Grant open on Monday 17th April.

Grants of up to £5000 will be allocated to successful applicants who can show evidence of how they will make a difference to Derby and Derbyshire's communities. I want to make sure we are not only tackling serious and organised crime but those issues that cause despair to local people every day. I want our communities to feel supported – wherever they live in the county – and I am determined to listen and act on their needs.

Full details, criteria and application packs are available to download on my website here:

Parish and Town Councils are also welcome to apply for funding from this Grant, and if you are able to share the Grant information with community groups in your area it would be greatly appreciated. If you require any more information regarding this initiative, please contact me on pccoffice@derbyshire.police.uk.

Kind regards,

Angelique Foster
Derbyshire Police and Crime Commissioner
